FOREWARD

This annual report is prepared pursuant to section 105 of the *Local Governance Act*, and Regulation 2018-54.

This Report contains general information about the City of Saint John such as its population; tax base; tax rate and user charges, as well as more detailed information regarding City Council, the provisions of grants, and the types and cost of the services provided. The 2018 Audited Financial Statements are appended as Appendix I.

COMMUNITY PROFILE

Saint John, New Brunswick – Canada's Original City – was incorporated 1785 and has grown into a historically-rich and culturally diverse city.

The city is home to an "uptown" core, where historic buildings dot the banks of the St. John River and the Saint John Harbour – the Bay of Fundy is our front door. A city of neighbourhoods, our citizens enjoy a unique quality of life with an abundance of housing options, a thriving arts and cultural community and easy access to a variety of exceptional recreational facilities and green spaces.

Saint John is centrally located on the southern New Brunswick Coast on the beautiful Bay of Fundy. Spanning 316.31 km2 (or 122.1 sq. mi) Saint John is the largest city in New Brunswick with a population of approximately 67,000.

For municipal information including details on your Council, staff contact, council meeting agendas and minutes and much more, please visit our website: www.saintjohn.ca.

CITY OF SAINT JOHN COUNCIL

The City of Saint John consists of a Mayor and ten Councillors.

The 10 councillors consist of 2 representing the city at large, and 8 representing the city's 4 Wards (2 councillors per ward), all for a term of four years. The Deputy Mayor is appointed by Common Council and traditionally has been the elected member who received the highest number of votes in the municipal election. Municipal elections are held the second Monday in May and the newly-elected Common Council assumes office the fourth Monday in May.

Council Members and their responsibilities

Mayor: Don Darling – Cities of New Brunswick, Federation of Canadian Municipalities, Finance Committee, Growth Committee, Living Saint John, Nominating Committee, Safe Clean Drinking Water Steering Committee, Saint John Board of Police Commissioners, Saint John Development Corporation, Saint John Emergency Measures Organization Committee, Solid Waste Commission of the Fundy Region Services Commission

Deputy Mayor: Shirley McAlary - Canada Games Foundation, Cities of New Brunswick, Community Grants Evaluation Committee, Greater Saint John Regional Facilities Commission, Growth Committee, Safe Clean Drinking Water Steering Committee, Saint John Emergency Measures Organization Committee

Ward 1 Councillor: Blake Armstrong - Growth Committee, Heritage Development Board

Ward 1 Councillor: Greg Norton - Discover Saint John, Finance Committee, Saint John Emergency Measures Organization Committee

Ward 2 Councillor: Sean Casey - Finance Committee, PRO Kids

Council Members and their responsibilities – continued

Ward 2 Councillor: John MacKenzie - Growth Committee, Living Saint John, Saint John Energy

Ward 3 Councillor: Gerry Lowe – Central Peninsula Neighborhood Action Team, Growth Committee, Planning Advisory Committee

Ward 3 Councillor: Donna Reardon - Central Peninsula Neighborhood Action Team, Finance Committee, Saint John Community Arts Board, Saint John Parking/Transit Commission, Uptown Saint John

Ward 4 Councillor: David Merrithew - Community Grants Evaluation Committee, Finance Committee, Greater Saint John Regional Facilities Commission, Nominating Committee, Saint John Aquatic Centre Commission

Ward 4 Councillor: Ray Strowbridge - Growth Committee, Trade and Convention Centre Oversight Committee

Councillor at Large: Gary Sullivan – Finance Committee, Harbour Station Commission, Nominating Committee, Planning Advisory Committee, Saint John Board of Police Commissioners

Remuneration of Council

The Mayor and Councillors each receive a salary and expenses related to City business. In 2018, the payments totaled \$379,124 and are detailed in Table 1 below.

Table 1 - Council Salaries and Expenses:

	Salary	Allowances
Mayor Don Darling	\$49,636	\$24,818
Deputy Mayor Shirley McAlary	\$25,741	\$12,871

Councillor Sean Casey	\$19,708	\$9,854
Councillor John MacKenzie	\$19,708	\$9,854
Councillor Gerry Lowe	\$19,708	\$9,854
Councillor Donna Reardon	\$19,708	\$9,854
Councillor David Merrithew	\$19,708	\$9,854
Councillor Ray Strowbridge	\$19,708	\$9,854
Councillor Gary Sullivan	\$19,708	\$9,854

Council Meetings

All council meetings and committees of council meetings are held in Council Chamber in the Lobby Level of City Hall, 15 Market Square. The regular meetings are open to the public and held every two weeks on Monday evenings beginning at 6:00 pm. Special meetings are held when there are matters that Council determines cannot wait until a regular meeting or that will require very lengthy discussions.

Council Meetings - continued

Televised coverage of regular Council meetings is provided on Rogers Cable, Channel 10, starting at 6:00 p.m. on the night of scheduled meetings.

Refer to Appendix II for the types and dates of meetings, and member attendance.

PROPERTY TAX RATE AND USER CHARGES

The municipal tax base for rate for the City of Saint John in 2018 was \$6,796,587,554 and the residential property tax rate was \$1.785 per \$100 of assessment. Additionally, the City provides water and wastewater disposal services on a user fee basis. The residential Flat Rate Water & Sewerage fee in 2018 was \$1,368.

User charges for recreational facilities and programs varied, dependent upon the facility and program offered. The charges in 2018 were:

55+ Games	\$12,500
Brilliant Labs	\$5,000
Lorneville Community & Recreation Centre	\$7,500
TOTAL	\$172,721

GRANTS FOR SOCIAL OR ENVIRONMENTAL PURPOSES - continued

The City of Saint John believes that one of the most effective means of facilitating the development of arts and culture in Saint John is to provide funding support to non-profit arts and/or cultural organizations serving our community. In this way, arts and culture organizations are encouraged to establish themselves, enhance their services, and provide their programming to the community. Accordingly, the City through the Saint John Community Arts Board has implemented the Community Arts Funding Program. This Program is designed to provide project support for non-profit organizations or groups wishing to offer quality arts activities in any discipline of the creative arts within the City of Saint John. In 2018, the City of Saint John issued grants totaling \$500 or more to:

Recipient	Description	Amount

GRANTS FOR ECONOMIC DEVELOPMENT

The City of Saint John has three economic development grant programs: Heritage Grant Program, Urban Development Incentive Grant Program and the Beautification Grant Program.

The Heritage Grant Program is an incentive program designed to encourage property owners to meet the spirit and intent of the Saint John Heritage Conservation Areas By-Law, as expressed

GRANTS FOR ECONOMIC DEVELOPMENT - CONTINUED

in the National Standards for Conservation of Historic Places in Canada and Saint John's own series of Practical Conservation Guidelines. Heritage Grants are not construction subsidies; they are intended to assist owner to retain traditional material and details of character-defining elements and, if necessary, replace them with new components, matching the original materials and profiles. In 2018, the City of Saint John issued \$101,748 in Heritage Grants.

The purpose of the Urban Development Incentives Program is to provide financial incentives to assist with development of three types of projects that may not have otherwise occurred: (1) vacant lots, (2) upper floors, and (3) vacant buildings. The foundation of the program and requisite for eligibility is the Residential Density Grant, which uses the Development Incentive Fund and seeks to catalyze new residential growth by making use of underutilized property. Stacked on top of this grant, there are two additional grants available to assist with the cost of developing on the Central Peninsula: the Construction Challenges Grant and the Building Permit Grant. The Urban Development Incentives Program overall purpose is to establish a financial incentive program to encourage developers and property owners to invest in strategic areas within the Central Peninsula (Uptown, South End, and Waterloo Village) and the goals and objectives of any future Neighbourhood Plan, by creating new residential units through either new construction or the redevelopment of existing buildings. In 2018, the City Saint John issued \$98,331 in Urban Development Incentive Program.

The purpose of the Beautification Grant Program is to invest in the facades of homes and landscaping of front yards, as an effort to help beautify streets and neighborhoods of the Central Peninsula. In 2018, the City of Saint John issued \$34,441 in Beautification Grants.

Service Information

Local government budgets and services are established in accordance with a standardized classification system. In 2018, Council adopted a general operating budget of \$156,090,792. Actual expenditures for the year were \$158,193,325 and actual revenue were \$158,073,410 (Fund Based) resulting in a surplus of \$119,915.

The City also has a utility operating budget for water and wastewater disposal services. The approved budget was \$47,804,000. The actual expenditures for the year were \$49,006,717 (Fund Based) and actual revenue were \$49,058,508 resulting in a surplus of \$51,791.

On a consolidated basis, the actual expenditures were \$223,510,168. The consolidated statements reflect the assets, liabilities, revenues, expenditures, and changes in net debt and cash flows of the reporting entity. The reporting entity is comprised of all organizations and enterprises accountable for the administration of their affairs and resources to the City and which are owned or controlled by the City.

Consolidated Statement of Operations

General Government Services

Total Expenditures: \$48,894,496

These services include the overall governance and financial administration of the City. This includes Council functions, general and financial management, legal matters and compliance with legislation as well as civic relations.

Protective services

Total Expenditures: \$53,478,337

This service area is responsible for the provision of policing services, fire protection, emergency measures, animal control and other protective measures.

Transportation services

Total Expenditures: \$47,324,451

This area is responsible for common services, roads and streets maintenance, street lighting, traffic services, parking and other transportation related functions.

Water and Sewer Services

Total Expenditures: \$40,332,566

The Water and Sewer Services includes Drinking Water, Industrial Water, Wastewater, Infrastructure Management, Internal Charges, Fiscal Charges and Amortization.

The Drinking Water Supply provides quality drinking water to all users within the community. This service area includes the supply of water, purification, treatment, transmission, and distribution. The Industrial Water Service is a public service that provides industry with raw process water. The service includes the supply of untreated water, operation and maintenance of related infrastructure.

The Wastewater Service treats domestic sewerage; wastewater collected from residential, commercial and institutional sources is conveyed to treatment facilities through sanitary and combined sewers, lift stations and force mains. Wastewater is treated to meet standards set out in the Approvals to Operate, as issued by the Minister of Environment and Local Government and applicable statutes.

Infrastructure Management provides professional engineering and technical staff resources for engineering support, design and construction management for projects related to capital programs for the improvement of municipal infrastructure, and to ensure the integrity of that system through the implementation of sound engineering standards

Water and Sewer Services - continued

Internal Charges is the area responsible for billings and collection of funds for the Water and Sewer Services. Other services includes fiscal services consisting of interest on short and long-term loans, principal repayment of long-term debt, the funding of prior year deficits and transfers to reserve funds for future expenditures.

Environmental health services

Total Expenditures: \$3,429,828

This area is responsible for the provision of waste collection and disposal.

Environmental development services

Total Expenditures: \$18,792,023

This area is responsible for planning and zoning, community development, tourism and other municipal development and promotion services.

Recreation and cultural services

Total Expenditures: \$11,258,467

This area is responsible for the maintenance and operation of recreational and cultural facilities, including the swimming pool, arenas, parks and playgrounds and other recreational and cultural facilities.

Independent Auditor's Report

To His Worship the Mayor and Members of Common Council of The City of Saint John

Report on the Audit of the Financial Statements Opinion

We have audited the financial statements of The City of Saint John (the "City"), which comprise the statement of financial position as at December 31, 2018, and the statements of operations, and accumulated surplus, change in net debt and cash flow for the year then ended, and notes to the financial statements, including a summary of significant accounting policies (collectively referred to as the "financial statements").

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the City as at December 31, 2018, and the results of its operations, its accumulated surplus, changes in its net debt, and its cash flows for the year then ended in accordance with Canadian public sector accounting standards ("PSAS").

Basis for Opinion

We conducted our audit in accordance with Canadian generally accepted auditing standards ("Canadian GAAS"). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the City in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with PSAS, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Organization's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Organization or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Organization's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian GAAS will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with Canadian GAAS, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to
 fraud or error, design and perform audit procedures responsive to those risks, and obtain audit
 evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not
 detecting a material misstatement resulting from fraud is higher than for one resulting from error,
 as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override
 of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit
 procedures that are appropriate in the circumstances, but not for the purpose of expressing an
 opinion on the effectiveness of the City's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the City's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the City to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the City to express an opinion on the financial statements. We are responsible for the direction, supervision and performance of the group audit. We remain solely responsible for our audit opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

The City of Saint John

Notes to the Consolidated Financial Statements

For the year ended December 31, 2018

1. Purpose of the organization

The City of Saint John (the "City") was incorporated by royal charter in 1785. As a municipality, the City is exempt from income taxes under Section 149(1)(c) of the Canadian Income Tax Act. The City has the following vision statement, "We are energized, engaged people committed to working together to provide services that are responsive to Community needs and delivered in a sustainable, cost effective way."

2. Summary of significant accounting policies

The consolidated financial statements of the City are the representations of the City's management prepared in accordance with Public Sector Accounting Standards ("PSAS") as recommended by the Chartered Professional Accountants of Canada Public Sector Accounting Board ("PSAB").

Significant aspects of the accounting policies adopted by the City are as follows:

Reporting entity

The consolidated financial statements reflect the assets, liabilities, revenues, expenditures, and changes in net debt and cash flows of the reporting entity. The reporting entity is comprised of all organizations and enterprises accountable for the administration of their affairs and resources to the City and which are owned or controlled by the City.

Interdepartmental and organizational transactions and balances are eliminated.

The focus of PSAB financial statements is on the financial position of the City and the changes thereto. The Consolidated Statement of Financial Position includes all of the assets and liabilities of the City.

The entities included in the consolidated financial statements, having the same year end as the City, are as follows:

- 1. The City of Saint John General Operating Fund
- 2. The City of Saint John Capital and Loan Fund
- 3. The City of Saint John Water and Sewerage Utility Operating Fund
- 4. The City of Saint John Water and Sewerage Utility Capital and Loan Fund
- 5. Saint John Parking Commission
- 6. Saint John Transit Commission
- 7. Develop Saint John
- 8. Harbour Station Commission
- 9. Saint John Aquatic Centre Commission
- 10. Saint John Trade and Convention Centre
- 11. Saint John Energy
- 12. Lord Beaverbrook Rink
- 13. Saint John Police Commission
- 14. Saint John Free Public Library
- 15. Saint John Jeux Canada Games Foundation, Inc.

2. Summary of significant accounting policies (Continued)

Investment in Energy Services

The City's investment in Saint John Energy is accounted for on a modified equity basis, consistent with generally accepted accounting principles as recommended by PSAS. Under the modified equity basis of accounting, the business enterprise's accounting principles are not adjusted to conform with those of the City and inter-organizational transactions and balances are not eliminated. The City recognizes its equity interest in the annual income or loss of Saint John Energy in its consolidated statement of operations with a corresponding increase or decrease in its investment asset account.

Budget

The budget figures contained in these financial statements were approved by Council on December 11, 2017 and the revised budget was approved by Council on March 26, 2018 and the Minister of Local Government on January 28, 2018. The budget is unaudited and does not include elimination of inter-organizational revenues and expenses with controlled entities.

Revenue recognition

Unrestricted revenue and other sources of revenue are recorded on an accrual basis and is recognized when collection is reasonably assured. Restricted contributions are recognized as revenue in the year in which the related expenses are incurred. Other revenue is recorded when it is earned.

Property taxes, which are authorized by Council, are recognized as revenues in the period for which the taxes are levied.

Government transfers

Government transfers are recognized in the consolidated financial statements as revenues in the period in which events giving rise to the transfer occur, providing the transfers are authorized, any eligibility criteria have been met, except to the extent that transfer stipulations give rise to an obligation that meets the definition of a liability and reasonable estimates of the amounts can be made. Transfers are recognized as deferred revenue when amounts have been received but not all eligibility criteria have been met.

Expenses

Expenses are recorded on an accrual basis. The cost of all goods consumed and services received during the year is expensed.

Measurement uncertainty

The preparation of the consolidated financial statements in accordance with Canadian PSAS requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the consolidated financial statements, and the reported amounts of revenues and expenses during the year. Key components of the consolidated financial statements requiring management to make estimates include: the useful life of tangible capital assets, impairment of tangible capital assets, rates for amortization, allowance for doubtful accounts in respect of receivables and estimates for pension liabilities.

2. Summary of significant accounting policies (Continued)

Measurement uncertainty (Continued)

Estimates are based on the best information available at the time of preparation of the financial statements and are reviewed annually to reflect new information as it becomes available. Measurement uncertainty exists in these financial statements. Actual results could materially differ from those estimates.

Cash and cash equivalents

Cash and cash equivalents include cash on hand, balances with banks and short-term deposits with original maturities of three months or less.

Tangible capital assets

Tangible capital assets are non-financial assets having a physical substance that:

- Are held for use by the City in the production or supply of goods and services, for rentals to others, for administrative purposes or for the development, construction, maintenance or repair of other tangible assets;
- Have useful lives extending beyond one year and are intended to be used on a continual basis;
- Have a minimum value of \$5,000 for individual assets; or \$25,000 for pooled assets; and
- Are not intended for sale in the ordinary course of operations.

The City of Saint John

Notes to the Consolidated Financial Statements

For the year ended December 31, 2018

2. Summary of significant accounting policies (Continued)

Tangible capital assets (Continued)

Tangible capital assets are recorded at cost which includes all amounts that are directly attributable to acquisition, construction, development or betterment of the asset. Assets that fall below the threshold amounts are expensed for accounting purposes. The cost of the tangible capital asset is amortized on a straight line over the estimated useful life as follows:

Asset Type	Years
Equipment and light machinery	3-25
Furniture and office equipment	5-15
Information technology equipment and software	1-15
Land	N/A
Land improvements	5-100
Leasehold improvements	Term of Lease
Municipal buildings	10-70
Transportation	5-50
Motor vehicles and mobile equipment	5-20
Water and wastewater networks	5-100

In the year of acquisition and the year of disposal, one half of the annual amortization expense is recognized.

Assets under construction are not amortized until the asset is available for productive use.

Tangible capital assets are written down when conditions indicate that there is impairment in the value of the assets and the reduction in the value can be objectively estimated and it is expected to be permanent. The net write-downs are accounted for as expenses in the statement of operations.

Donated or contributed assets are recorded at fair market value at the date of construction or donation. In some circumstances, replacement cost may be used.

Segmented information

The City provides a wide range of services to its residents. For management reporting purposes, operations and activities are organized and reported by function. This presentation was created for the purpose of recording specific activities to attain certain objectives in accordance with special regulations, restrictions or limitations. Municipal services are provided by service areas as follows:

General government services

This segment is responsible for the overall governance and financial administration of the City. This includes Council functions, general and financial management, legal matters and compliance with legislation as well as civic relations.

The City of Saint John

Notes to the Consolidated Financial Statements

For the year ended December 31, 2018

2. Summary of significant accounting policies (Continued)

Segmented information (Continued)

Protective services

This segment is responsible for the provision of policing services, fire protection, emergency measures, animal control and other protective measures.

Transportation services

This segment is responsible for common services, road and street maintenance, street lighting, traffic services, parking and other transportation related functions.

Water and sewer services

This segment is responsible for the provision of water and sewer services including the maintenance and operation of the underground networks, treatment plants, reservoirs and lagoons.

Environmental health services

This segment is responsible for the provision of waste collection and disposal.

Environmental development services

This segment is responsible for planning and zoning, community development, tourism and other municipal development and promotion services.

Recreation and cultural services

This segment is responsible for the maintenance and operation of recreational and cultural facilities, including the swimming pool, arenas, parks and playgrounds and other recreational and cultural facilities.

Energy services

This segment comprises a non-generating distribution utility that supplies electricity to municipal, residential, general service and industrial customers through 12 interconnection supply points and substations located in the City of Saint John. It also provides street lighting, area lighting and water heater rental services.

Inventory

Inventory consists mainly of parts and materials and is valued at the lower of cost and net replacement cost with cost being determined on the first in, first out basis.

2. Summary of significant accounting policies (Continued)

Post employment benefits

The City recognizes its obligations under post-employment benefit plans and the related costs, as disclosed in Note 13. Where appropriate, the City has undertaken actuarial valuations.

3. Bank loan payable

The City has credit facilities with the Bank of Nova Scotia. According to the terms and conditions of the commitment letter signed between the City and the Bank of Nova Scotia, the City can borrow up to \$6 million to fund general operations and \$25 million to assist in financing capital expenditures pending fall-in of long-term financing. The interest rate for the credit facilities is the Bank's prime lending rate less 0.5% per annum with interest payable monthly. As at December 31, 2018, the balance of the bridge financing credit facility was zero (2017 - zero) and the balance of the operating line of credit was zero (2017 - zero).

As prescribed in the Municipalities Act, borrowing to finance General Fund operations is limited to 4% of the City's operating budget. Borrowing to temporarily finance Utility Fund operations is limited to 50% of the operating budget for the year. In 2018, the City has complied with these limitations.

4. Cash and cash equivalents

Cash and cash equivalents consists of the following:

	Dec 31, 2018	Dec 31, 2017
	\$	\$
Unrestricted cash	46,604,352	24,993,221
Restricted cash		
Airspace 2049 fund	27,205	16,733
Land sub-division fund	74,243	54,455
Saint John Non-Profit Housing future development fund	52,447	51,495
Deposits on contracts	1,197,214	1,116,478
Gas Tax	6,533,013	2,740,348
	54,488,474	28,972,730

5. Accounts receivable

Accounts receivable consist of the following:

	Dec 31, 2018	Dec 31, 2017
	\$	\$
Water and sewer charges to ratepayers	7,644,637	7,460,420
Other	4,245,858	3,698,457
Due from the Province of New Brunswick (Note 7)	3,001,876	1,655,173
Due from the Federal Government and its agencies (Note 6)	1,751,208	5,441,570
Allowance for doubtful accounts	(1,715,549)	(1,501,429)
	14,928,030	16,754,191

6. Due from the Federal Government and its agencies

Amounts due from the Federal Government and its agencies consist of the following:

	Dec 31, 2018	Dec 31, 2017
	\$	\$
Clean Waste Water Funding	799,133	2,067,081
Canada Revenue Agency HST receivable	856,099	3,289,747
Other	95,976	84,742
	1.751.208	5 441 570

7. Due from the Province of New Brunswick

Amounts due from the Province of New Brunswick consists of the following:

	Dec 31, 2018	Dec 31, 2017
	\$	\$
Clean Waste Water Funding	395,216	1,029,341
Financial Assistance	1,566,473	-
Department of Transportation	272,255	-
Dep of Public Safety -Flood 2018	502,000	-
Other	265,932	625,832
	3,001,876	1,655,173

8. Investment in energy services

Change in equity in Saint John Energy:

	Dec 31, 2018	Dec 31, 2017
	\$	\$
Investment at the beginning of year	29,687,000	37,839,000
Net earnings (loss)	21,114,000	(8,152,000)
Investment at end of year	50,801,000	29,687,000

9. Other investments

Other investments consist of the following:

	Dec 31, 2018	Dec 31, 2017
	\$	\$
GIC	90,229,783	93,433,972
Canada Games Foundation investments	6,869,070	7,369,602
Other investments	1,128,153	1,172,283
Total other investments	98,227,006	101,975,857

Investments of the City of Saint John are held with the Bank of Nova Scotia and consist of 2 year term redeemable GICs issued by the Bank of Scotia which fall within the scope of the City's Investment Policy. It is the policy of the City to invest funds to provide the optimal blend of investment returns and principal protection while meeting the City's daily cash flow and liquidity demands.

The investments of the Canada Games Foundation (the "Foundation") are held in the custody of Scotiatrust and CIBC Melon. The Foundation's investment strategy is to hold high quality corporate or government bonds and liquid equity investments which bear no unusual credit or interest rate risk. Fair values of investments in fixed income securities and equities are determined using year end quoted market prices.

10. Accounts payable and accrued liabilities

Accounts payable and accrued liabilities consist of the following:

	Dec 31, 2018	Dec 31, 2017
	\$	\$
Trade payables	143,148,213	20,084,554
Other	181,487	87,217
Payroll	7,242,808	6,680,326
Conferences and holdings	1,085,925	994,986
Deposits	1,318,585	1,297,889
Interest payable	685,928	714,280
Due to Pension Fund	258,983	222,865
Canada Revenue Agency	<u> </u>	52,717
	153,921,929	30,134,834

11. Deferred government transfers

Deferred government transfers consist of the following:

	Dec 31, 2018	Dec 31, 2017
	\$	\$
Gas tax funding	6,533,014	2,740,348
Contribution from Regional Development Corporation	38,794,260	28,794,260
	45,327,274	31,534,608

As per the Gas Tax Funding Agreement, funding received as part of the Gas Tax Funding program is recorded as revenue in the year during which related expenditures are incurred. Amounts that have not been spent are recorded as deferred government transfers on the Consolidated Statement of Financial Position.

Contribution from Regional Development Corporation was related to the Safe Clean Drinking Water Project. The money will be used toward the substantial completion payments in the future.

12. Long-term debt

Debentures consist of the following:

	Interest Rate	Term	2018 Annual Payment	2018	2017

Total	230,759,530

13. Post employment benefits and compensated absences

City of Saint John Shared Risk Plan

The City of Saint John Pension Plan (Former CSJ Plan) was converted to the City of Saint John Shared Risk Plan ("CSJ SRP") effective January 1, 2013 (the conversion date). The purpose of the CSJ SRP is to provide secure benefits to members of the plan without an absolute guarantee but with a risk focused management approach delivering a high degree of certainty that base benefits can be met in the vast majority of potential future economic scenarios. These objectives are achieved through the development of a risk management framework that adheres to the legislated criteria, results in a low probability that base benefits will be reduced, and sets out the specific steps to be taken should the Plan's funded ratio fall below, or exceed, specified thresholds. These steps, when the Plan is underfunded, include the cessation of indexation of benefits, increasing contribution rates (to a predetermined maximum), reducing certain ancillary benefits, and ultimately reducing base benefits. When the Plan has excess funding, previous benefit reductions can be reversed, indexing is fully implemented, and various other potential increases can be implemented, including a decrease in contribution rates (to a predetermined maximum).

Shared risk plans are legislated under the provincial Pension Benefits Act (PBA) which contains a number of requirements that must be met in order to qualify for registration by the Office of the Superintendent of Pensions. The Plan is also subject to the Income Tax Act. The Plan is administered by a Board of Trustees which includes 4 individuals nominated by the City and 4 individuals nominated by each of the four unions.

The assets of the Plan are held by RBC Investor and Treasury Services which acts as custodian of the Plan. The assets of the Plan are managed by various investment managers who have discretionary investment authority within the investment mandates given to them by the Plan's Board of Trustees. The performance of the Plan relative to its benchmarks is measured on a regular basis.

For service prior to the conversion date, the Plan provides for pensions at the rate of 2% per year of service times the average of the three consecutive years of service having the highest salary at the time of conversion. For service after the conversion date, the pension accrual for each year of service is 1.8% times the salary (excluding overtime pay) earned during the relevant year to a certain maximum salary that is indexed every year (\$133,892 in 2018).

Pension benefits accrued before the conversion date are payable without reduction when the member's age and service equal at least 85 (or at age 65, if earlier). Pension benefits accrued after the conversion date are payable without reduction at age 60 for employees in the International Association of Fire Fighters and Saint John Police Association and at age 65 for all other employees. Pension benefits can be paid as early as age 55 with a reduction.

Shared risk plans extinguish all accrued rights to automatic future indexing. These automatic adjustments have been replaced by indexing as permitted by the Plan's funding policy, which is contingent on the SRP performance.

13. Post employment benefits and compensated absences (Continued)

City of Saint John Shared Risk Plan (Continued)

The initial required employee contributions are equal to 12% of earnings for employees in the International Association of Fire Fighters and Saint John Police Association and employee contributions of 9% of earnings for other employees. Members in public safety occupations who accept a non-union position will have a one-time opportunity to elect to continue to contribute at the higher rate. The City makes initial required employer contributions of 15.2% and 11.4% of earnings (representing about 126.7% of employee contribution rates) for each of these groups. The initial contribution rates for both the employees and the City is subject to change as a result of the triggering mechanism and limitations imposed by the Plan's funding policy. Also, since April 1, 2013, the City is required to make contributions of 17% of earnings for a period of 15 years, or when the Plan achieves a minimum funded ratio of 150% (as calculated under the legislation) using a 15-year open group method (no less than 10 years of payment must be made). The City has no other financial obligation other than to make contributions at the above rates, and within the limits found under the Plan's funding policy.

In the event of a wind-up of the Plan in the five years following the conversion date, the Plan would be wound up under the provisions of the Former CSJ Plan. All assumptions relating to the CSJ SRP have been made on the basis of an on-going Plan and the City does not foresee a wind-up of the Plan.

Actuarial valuations

Actuarial valuations for the Plan are conducted annually by the Board of Trustees for regulatory purposes. In turn, the actuarial valuations for accounting purposes are based on these figures (with adjustments). The most recent actuarial valuation was prepared as at January 1, 2018. The actuarial valuations for accounting purposes are based on a number of assumptions about future events, such as inflation rates, interest rates, salary increases, employee turnover and mortality. The accrued benefit obligation as at December 31, 2017 and current period benefit cost for the following year are based on an actuarial valuation conducted as at December 31, 2017. The accrued benefit obligation as at December 31, 2018 and current period benefit cost for the following year are based on an actuarial valuation conducted as at December 31, 2017 and extrapolated to December 31, 2018, using assumptions effective for December 31, 2018. The assumptions used reflect management's best estimates. The following summarizes the major assumptions in the accounting valuations and extrapolations at the various effective dates:

	Dec 31, 2018	Dec 31, 2017
Discount rate	6.05%	6.05%
Inflation rate	2.25%	2.25%
Salary increase	3%	3%
Mortality: CPM-2014 mortality table with adjustments factors	0	0

The Expected Average Remaining Service Life (EARSL) is 12 years. During the year, the City made pension contributions of \$20,562,689 (2017 - \$18,853,033).

13. Post employment benefits and compensated absences (Continued)

City of Saint John Shared Risk Plan (Continued)

The following table reflects the City's share of the accrued benefit liability, which equals to the full portion of the Accumulated Benefit Obligation ("ABO") related to the temporary contributions and 55.9% of the remaining portion of the ABO net of Plan assets because funding contributions are shared at 55.9% by the City and 44.1% by employees, before taking into account the additional temporary contribution of 17% of earnings.

	Dec 31, 2018 \$	Dec 31, 2017 \$
N N		
City share of accrued benefit liability, beginning of year	89,300,000	114,600,000
City share of current period benefit cost	6,300,000	5,800,000
City share of past service cost	13,000,000	2,700,000
Interest cost	5,700,000	6,600,000
Less City contributions	(20,600,000)	(18,800,000)
Actuarial (gain)/loss	20,400,000	(21,600,000)
City share of accrued benefit liability, end of year	114,100,000	89,300,000
Unamortized actuarial gain/(loss)	(15,700,000)	5,400,000
Pension liability, end of year	98,400,000	94,700,000

The following table reflects the City share of pension related expenses:

	Dec 31,	Dec 31, 2017 \$
	2018	
	<u> </u>	
Current period benefit cost	6,300,000	5,800,000
Past service cost	13,000,000	2,700,000
Interest cost	5,700,000	6,600,000
Amortization of City share of actuarial (gain) loss	(700,000)	1,200,000
Total expense related to Pension	24,300,000	16,300,000

13. Post employment benefits and compensated absences (Continued)

Other employee future benefits

The City provides for the payment of retirement allowances to retiring employees in accordance with the terms of the various collective agreements and Municipal policy. The retirement allowance is based on the member's final annual salary and years of service at retirement. Employees upon retirement from the City are entitled to a retirement allowance equal to one month's pay, to a maximum of six months, for every five years of service. The program has been amended to provide certain employees with a payout option prior to retirement. Accepting the early payout option eliminates further accumulation of retirement allowance entitlement for those employees.

The City also provides for employee sick leave. Unused sick leave accumulates to a maximum number of hours which varies by employment agreement. Under this program, employees are not entitled to a cash payment in lieu of sick leave when they leave the City's employment except as described below with respect to the retirement both outside workers (local 18) and firefighters (local 771).

Upon retirement, members of Local 18 and 771 will be eligible to receive 10% of their regular rate of pay for accumulated sick leave credits in excess of 1,760 hours or 2,280 hours respectively.

For employees of the City of Saint John Fire department, who are unable to work due to heart disease or permanent injury to the lungs, the City pays certain amounts to disabled firefighters or their survivor spouse as a result of the provisions of an Act of the Legislature, known as the Act respecting the Saint John Firefighters's Association.

As at January 1, 2013, the City's pension plan was converted to a shared risk model. As part of the conversion, the City assumed the obligation for paying existing disability pensions, that had been granted under the old plan, until disabled members reach the age of 65. On a go forward basis, disability coverage is now provided for employees through a long term disability program administered by an insurance carrier.

Finally there are specific agreements that obligate the City to pay top up pensions to certain individuals. During the year, the City made payments of \$65,375 (2017 - \$64,128) related thereto.

Valuation techniques and assumptions

Actuarial valuations of the above benefits are completed for accounting purposes using the projected benefit method prorated on services. The last actuarial valuation of the post-employment benefit plans was conducted as at December 31, 2018. Previous to that, an actuarial valuation was performed as at December 31, 2017.

The above benefit plans are unfunded and as such, there are no applicable assets. Benefits are paid out of general revenue as they become due.

13. Post employment benefits and compensated absences (Continued)

A reconciliation of the accrued benefit obligation for these plans, along with the main assumptions used for disclosure and expense calculations are as follows:

	Dec 31,	Dec 31,	
	2018	2017 \$	
	\$		
Accrued benefit obligation, beginning of year	26,522,427	26,436,668	
Current period benefit cost	1,081,400	988,300	
Benefit payments	(3,042,243)	(3,062,043)	
Interest cost	808,601	902,602	
Actuarial loss	279,000	1,256,900	
Other employee future benefits, end of year	25,649,185	26,522,427	

	Dec 31,	Dec 31,
	2018 \$	2017 \$
Main assumptions used for these plans:		· · · · · · · · · · · · · · · · · · ·
Discount rate	3.46%	3.17%
Salary increase	3%	3%
EARSL	Range from 8 to 23	Range from 10 to 22

13. Post employment benefits and compensated absences (Continued)

These benefit plans require no contributions from employees. The benefit liability as at December 31, 2018 includes the following components:

	Dec 31, 2018	Dec 31, 2017 \$
	\$	
Accrued benefit obligation (carrying value)		
Retirement allowances	4,517,400	4,048,400
Sick leave	8,330,000	8,407,000
Heart and lung pension	5,133,600	5,270,900
Disability benefits	5,637,600	6,634,800
Contractual top up agreements	1,076,185	1,138,827
Sick leave - Saint John Transit Commission	954,400	1,022,500
	25,649,185	26,522,427
Unamortized actuarial losses	(6,206,400)	(6,375,600)
	19,442,785	20,146,827

The unamortized actuarial losses will be amortized over the expected average remaining service life ("EARSL") of the related employee groups starting in the next fiscal year. EARSL is determined separately for each benefit program.

The total expense related to other employee benefits described above includes the following components:

	Dec 31,	Dec 31,
	2018	2017
	\$	\$
Current period benefit cost	1,081,400	988,300
Amortization of actuarial loss	448,200	434,700
	1,529,600	1,423,000
Other employee benefit interest expense	808,601	902,602
Total expense related to other employee future benefits	2,338,201	2,325,602

14. Contingencies

In accordance with the Regional Service Delivery Act and the General Regulation thereunder, the City is also liable for a pro rata share of the debentures and other long-term debt issued on behalf of the Fundy Region Solid Waste Commission ("Commission"). The portion attributable to the City is determined on the basis of its percentage of total population within all participating municipalities and unincorporated areas. The total of such debt outstanding at December 31, 2018 amounted to \$108,000 (2017 – \$214,000). Based on 2003 population figures, the City is liable for approximately 55% of the Commission's debt.

The City is, from time to time, subject to various investigations, claims, and legal proceedings covering matters that arise in the ordinary course of its business activities. Management believes that any liability that may ultimately result from the resolution of these matters will not have a material adverse effect on the consolidated financial position or operating results of the City. Legal proceedings filed in December 2013 remain outstanding against the city of Saint John with respect to the alleged activity of a former employee/police officer. The relief sought has not been quantified in the documents filed with the court and therefore the city is not in a position to estimate the amount of potential liability if any, in this matter. Legal proceedings were filed against the City of Saint John in early 2018 relating to the water supplied by the municipal water system to some of its customers. The relief sought has not been quantified in the documents filed with the court and therefore the City is not in a position to estimate the amount of the potential liability, if any, in this matter.

15. Commitments

Greater Saint John Regional Facilities Commission

During 1998, the Greater Saint John Regional Facilities Commission ("Regional Facilities Commission") was created by an Act of the Legislative Assembly of New Brunswick. Under the provisions of the Act, the Regional Facilities Commission has the authority to determine the annual amount of total municipal contribution to be made towards the operation of five regional facilities: the Saint John Aquatic Centre Commission, Harbour Station Commission, the Saint John Trade and Convention Centre, the Imperial Theatre and the Saint John Arts Centre. Under the provisions of the Act, the City's contribution is its pro rata share of the Regional Facilities Commission's operating budget based on the tax bases of the participating municipalities of the Town of Quispamsis, the Town of Rothesay, the Town of Grand Bay-Westfield and the City of Saint John. The City's contribution is 67.151% in 2018 (2017 - 67.39%).

The City of Saint John

Notes to the Consolidated Financial Statements

For the year ended December 31, 2018

16. Water and Sewer fund surplus/deficit

The Municipalities Act requires Water and Sewer Fund surplus/deficit amounts to be absorbed into one or more of four Operating Budgets commencing with the second ensuing year; the balance of the surplus/deficit at the end of the year consists of:

	Dec 31,	Dec 31,
	2018	2017
	\$	\$
2018 surplus	51,791	*
2017 surplus	532,037	532,037
2016 surplus	179,141	716,564
2015 surplus	322,225	483,337
2014 surplus	507,658	1,015,317
2013 surplus	-	368,782
	1,592,852	3,116,037

17. Water cost transfer

The City's water cost transfer for fire protection is within the maximum allowable by Regulation 81-195 under the Municipalities Act, based upon the applicable percentage of water system expenditures for the population.

18. Funds held in trust

Funds administered by the City for the benefit of external parties are not included in the consolidated financial statements. The amount administered as at December 31, 2018 was \$484,113 (2017 - \$476,690).

19. Funds and reserves

The City received funding from the Canada – New Brunswick Municipal Rural Infrastructure Program between 2001 and 2006 to assist with the cost of construction of water and sewerage assets. The agreements require the City to maintain replacement reserve funds, which can only be used to pay for the cost of replacement of specified capital items, unless otherwise approved by the Minister of Environment and Local Government.
