

## Flood Recovery - Important Phone Numbers

### Disaster Relief Funding and Health & Safety Inspections

To register for Disaster Relief Funding and to access the Province of New Brunswick Health & Safety Programs, including property inspections, teams and reports, call **1-888-298-8555**.

### Electrical Reconnections

Saint John Energy customers must put the request through to their electrician. The timeframe for reconnection after an electrician has taken appropriate action and a request has been made to SJ Energy is up to two days. For more details, contact SJ Energy at **(506) 658-5252**.

### Canadian Red Cross

For resources available through the Canadian Red Cross, including requests for accommodation, call **1-800-863-8582**.

### Horizon Health Network

For mobile mental health crisis services call **1-888-811-3664** (8 am to midnight). Or call the Provincial CHIMO helpline at **1-800-667-5005** for a listening ear. They provide a confidential, anonymous service 24 hours a day.

### Drinking Water (those on SJ Water system and with privately-owned wells)

Residents on the **Saint John Water Drinking Water** or sewage system can call the City at **(506) 658-4455** with any questions or concerns.

Residents with **privately-owned wells** in areas that were flooded have been advised by the Province of NB not to use them before they have been disinfected and tested.

The provincial government is providing free testing for water from private wells which have been directly affected by recent flooding. Beginning May 17, water sampling kits will be available at Service New Brunswick Centres for owners of private wells. Further information is available through the **Department of Environment and Local Government Saint John region** at **(506) 658-2558**.
